RE: Captivator Systems and Section 7 Consulting

To Whom It May Concern:

This letter is written to express our complete satisfaction with Captivator Systems and Section 7 Consulting Services in assisting our Government Sales Department.

Homeland Supplier contracted with Mr. Levinstein to implement his consulting services in conjunction with Captivator Systems. Captivator has been able to help us bypass a significant portion of the administrative tasks associated with DLA contract bidding by using the software to manage contract accountability and the bidding process. Mr. Levinstein's consulting service has been an invaluable asset in helping us springboard our growth in the Government sales arena. He has assisted with training our team and has provided ongoing support to ensure our continued success and growth.

Please feel free to contact me directly if you would like more information.
